

Stephanie Baker

RN, MBA, CEN

Stephanie.baker@studergroup.com

Education

- Masters of Business Administration and Health Care Management, University of Phoenix
- Bachelors of Science in Nursing, San Diego State University

Work Experience/Results

Stephanie has 20 years of clinical nursing and administrative experience in the areas of Emergency, Trauma, Flight, and Critical Care medicine and proven results with her partners around the country. Her consistent achievement of organizational results speaks to her ability to motivate senior leaders and staff, implement evidence-based tactics, drive accountability and create a culture of “always”. Stephanie is an account leader and internal ED expert for Studer Group and best known for her ability to individualize her coaching plans to produce results. She is a national keynote speaker for the “Nuts and Bolts of Service and Operational Excellence in the Emergency Department” and is the leader for the Emergency Department service line. Her philosophy is “Sometimes we only get one chance” and her goal is to “make a difference, every patient, every time.”
