▼ TOOL 8: BEDSIDE SHIFT REPORT ROUNDING LOG - STAFF

Date: _____

To: _____ From: _____

I have rounded on and watched some of your patients today and asked them about how their care has been and if bedside report is occurring as we planned. Here is your personal feedback, based upon your patients' perception and my observations.

Room #'s: _____

Activity/Behavioral Items	% Excellence Achieved	% with opportunities for improvement
Introduced oncoming nurse to patient		
Managed up the oncoming nurse		
Included patient in the report		
Used key words appropriately		
Checked the equipment and supplies in the room – IV's, monitors, etc.		
If visitors were in the room, explained that you are doing the Bedside Report and asked the patient if he/she wanted the visitors to step out		
Prior to leaving the room, the off-going nurse thanks the patient for allowing you to provide them care.		
Incorporated SBAR in report
